The August meeting will be:

on: AUGUST 1, 1985  
at: 7:30 P. M.  
in: COMMUNITY ROOM  
FAR WEST FEDERAL S&L  
OREGON CITY SHOPPING CTR

We will have several demos including the AERCO DISK I/F.

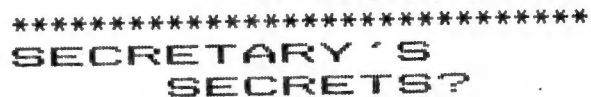

#####

Some of you may have received an OVERDUE NOTICE in your mailbox recently. From now on, when an item is 2(two) weeks past due, a notice will be sent out to remind the borrower of that fact.

We do not like to have to do this, but, as said before, the Library is for all members, and for it to work, we must adhere to the rules.

Sending out notices do cost the group about 25 cents each. Please help us save YOUR money. Get those items you've checked out back on time.

THANKS FOR YOUR HELP!!

Our last meeting was held on June 6, 1985 at the same place at the August meeting.

The meeting was called to order at 7:45 P.m. by Dick Wagner, Chairman. We were very pleased to see 3 new people at the meeting. They were:

Bill Rich-from Albany  
Merlin Raymond-Beaverton  
Glen Ten-Eyck-PATS

Bill and Merlin are our newest members. WELCOME!

After the Treasurer's report, Dick read a letter from Bob Orrfelt, the owner of GESSO Products in California. He was thanking us for our support and kind words in our little newsletter, THE PLOTTER.

Membership pins were brought up and Kevin Fowler said that he would make them for us. Any member who has not received a pin with their card, please contact Rod and get on the list.

New products at the meeting:

CRICKET HOUSE 1000 KB  
AERCO DISK I/F  
GESSO EPROM PROGRAMMER  
ZEBRA KOALA GRAPHICS PAD

Meeting adjourned at 8:15 PM

PLEASE  
NOTE

As you can see, this is an extremely short newsletter. There was going to be none at all, but, after all, the purpose of this publication is, in part, to notify our members when and where the next meeting is to be. As we had no meeting in JULY, we had no newsletter in JULY. As there is an AUGUST meeting coming up, we want to let all of you know about it.

Another BIG reason for the brevity of this issue is, I hate to say it, because we do not have enough material to put together 8 pages. I don't think that I could fill even 4 pages at this time.

We had hoped after a month without publishing, we would receive enough material to put together a nice issue.

We have receives a couple of nice pieces to date, but we do need a lot more to fill the pages with usefull information. HELP YOUR NEWSLETTER, SEND SOMETHING IN! NEXT DEADLINE IS AUGUST 10TH. THANKS!!
